John P. Rodkey: a man seeking the best for students

A big honor for Mr. John P. Rodkey and for North Central High School came on Nov. 20 when he became president of the Washington Association of Secondary School Principals.

As a representative of Washington's high school principals, he attended a regional conference of the National Association of Secondary School Principals in Seattle. In February he went on to the national conference held in Las Vegas.

Through his participation in the principals' groups, he was one of five high school principals in the nation selected to serve on the "Status and Welfare Commission" of the NASSP.

The Betty Crocker Search for Leadership in Family Living program is another concern of Mr. Rodkey's. In November he traveled to Washington, D.C. to attend a committee meeting of the advisory group.

Our principal is a very busy man, but he finds time to care for North Central, now in its 66th year of operation.

Power to Big Red!

Big Red started the season slowly by losing three games in a row, but then evened the record with three wins in a row. Jim Kelly was tabbed "Player of the Week" and the Injun team received "Team of the Week" honors from the sportswriters' and broadcasters' group following the 44-15 scalping party against Shadle.

After the three wins, the Indians lost two more games, one each to league co-champions Lewis and Clark and Gonzaga. The season ended on a victorious note with a rout of the winless Rogers' Pirates.

Team co-captain awards went to Dan McNeal, quarterback, and Rich Fink, guard: they were selected by fellow team members.

"I was proud of the way they played; the team worked well together and had unity and pride," said Coach Art Bauer about his best team in several seasons.

Frosh take city; B's get two wins

A two-win, six-loss season implies a losing season, but the team had the desire to win not found in many teams. Dave Beardslee, inspirational award winner, kicked four for four field goals; two went over 40 yards. Tom Hayes and Dan Hunstad received co-captain awards.

Praising his team, Coach Chalich remarked, even though it was small in number, there was a definite improvement made by all members of the squad

"This is the best balanced team I've had," Coach Joe Schauble proudly said of his frosh team. With a 5-1 record and city champs as a title, Coach Schauble certainly should be proud.

The team voted Ryne Sandberg, quarterback, as team captain; the inspirational award went to Steve Kivett, center.

Golfers boogie with bogeys

The NC golfers are soaring like eagles this year with a 5-1 win-loss record for fall and the same powerhouse coming back for the challenge to the state title in the spring. Greg Gower and Ron Empter are now among NC's fastest as their names go on the Cross Country Hall of Fame Board.

The girls' varsity tennis team had another smashing season. The fall marked the eleventh consecutive season that North Central had taken the city title. The team had a perfect score of 8 wins and no losses.

In the Greater Spokane Tourney in the fall, the top eight participated. Judy Cutler took the girls' singles' title for the second year. Jan Martin and Tami Fong advanced to the semi-finals in doubles while Kris Hamilton and her male partner advanced to the semi-finals in mixed doubles.

Senior girls who have played their last season for NC include Judy Cutler, Jan Martin, Tami Fong, Kris Hamilton, Julie Engle and Linda Wiggins.

RED FEATHERS, what do these words mean? To some they might indicate the color of bird feathers, but to the students of North Central, they stand for pride and determination.

Junior and senior girls make up this spirit-oriented group. This year's Red Feathers began work last June when they assisted at the North Central reunion at the coliseum. The highlight of their summer was ushering at a pro football game.

The school year was kicked off by several halftime football performances at the stadium. Red Feathers also brought goodies for the players.

In the winter, they sold programs at the basketball games, planned their "Raindrops and Roses" dance, put a con together, and prepared for the parade in the spring.

Being a Red Feather is time consuming and hard work, but it's very rewarding too.

Besides intramural volleyball, badminton, and twirling, there are basketball, baseball and tennis for the girls of North Central to participate in. The enthusiasm of these girls shows how much they appreciate these special after school activities. The PE teachers should be acknowledged for their hard work and their willingness to stay after school hours to help out.

Chess Clubbers make the right moves

Two students coldly stare each other in the eye, each seeks to unnerve is opponent, tie his mind in knots, and, at the same time, concentrate 1 what move to make next himself. One tries to anticipate the opponent's strategies in an attempt to gain the privilege of saying "checkmate" and of winning another game.

This scene is duplicated hundreds of times yearly by the members of the Chess Club. In membership they number a bit over ten people. Club members also comprise a team that competes with other schools on a regional basis.

A variation of chess for four players, "Cutthroat Chess," is also a club favorite. This variation was patented by Mr. Bob Bland.

- Non-club members take part in a match.

- 3. Derl Powell and Darrell Reedy study the board.
- 4. Chris Snider awaits his opponent's move.

A student-owned and operated newspaper is one of the most effective and informative modes of communication available to students. Without this necessary publication, the otherwise closely-knit student body would become disjointed.

This year's NC NEWS was published twice monthly with funds provided by the ASB. A new nameplate for the paper was designed by Doug Buckley and lettered by John Grennay. Kirsti Nelson, De Hicks, Linda Zupan, Barb Fulton, Frank De Caro, Tammy Myers, Mike Ormsby, and Rob Welton were members of the staff both semesters. Bonnie Samek, Duane David, Don Swanson, Marc Tumlinson, and Gary Tracy joined the staff second semester. Roger Grimes served as cartoonist both semesters.

Photographs for the paper were taken by Chuck Caraway and Don Anderson.
